Insurance & Financial Policy

Welcome to our practice. We are committed to providing you with the best possible care by offering you treatment options that may or may not be covered by your insurance. We are open to discussing these options with you at any time.

Currently we are participating with many major insurance companies. Insurance is a contract between you and your insurance company. It is your responsibility to be aware of your benefits. If you are unsure of your insurance benefits, you will need to contact your insurance carrier for clarification of your benefits. Certain services may or may not be covered by Medicare or Medicaid and it is the patient's responsibility to inquire as to the eligibility of a treatment for Medicare or Medicaid coverage.

This office bills your insurance for services performed by our providers. The laboratory will bill you or your insurance company of all labs performed. If you have question regarding your lab bill, please contact the laboratory directly or your insurance carrier.

Please bring your insurance card to each appointment. If you change insurance companies or benefits, you must call our office with the new information at least 48 hours prior to your appointment. If you do not, you will be responsible for the bill.

All insurance information, including referrals, and claim forms when necessary must be provided at the time of services. Please be sure to check that referral from your primary care physician has been received two (2) days prior to your appointment. We cannot see you without a valid referral if a referral is required by your insurance company. It is your responsibility to ensure that a referral has been created through your Primary Care Physician's office when required by your insurance. Balances for any reason, co-pay, deductible, coinsurance and denials for any reason are the responsibility of the patient or guarantor.

All co-pays, deductibles, and payments are due at the time of service, with co-pays being collected prior to you seeing the doctor. When receiving a statement after your visit, payment is due immediately upon receipt. To better accommodate your needs, we accept cash, personal checks, debit cards, Visa and Mastercard as forms of payment. Any personal checks returned to us from you bank will be subject to a fee of \$40.00.

We will assign all accounts thirty (30) days or more past due to an outside collection agency for assistance. This may be an automatic assignment unless prior arrangements have been approved by management. Should this step be necessary, we may add a \$45.00 service charge to your balance. Any collection fees necessary to collect this debt will be added to the outstanding balance. Please keep in mind that should your account go to our collection agency, any arrangements/payments will need to be made directly to the collection agency. In addition, once an account has been turned over to the collection agency, the patient will receive a letter of discharge from our practice.

We understand that situations may arise that require you to cancel your appointment; however we do request a 24 business hour notice of such cancellation. We may charge a \$50.00 fee for any appointments that have not been cancelled within this timeframe.

An administrative fee of \$75.00 per form will be charged for any forms (relating to disability, auto injury, life insurance applications, motor vehicle division, employment matter, etc.) that need to be reviewed and/or filled out by our medical professionals. All administrative fees must be prepaid.

Please keep all copies of all patient receipts. Should you need an end of year statement for tax purposes, an administrative fee of \$25.00 will apply.

Any patient who commits any of the following offenses, including but not limited to: abusive behavior, non-compliance with treatment, Rx misuse, multiple missed office visits, or failure to pay account shall be grounds for immediate dismissal from the practice.

Thank you for understanding our financial and insurance policies. If you have questions about the above information, please do not hesitate to ask us. We are here to assist you.

I have read the above Inst	arance & Financial Policy, and understand and agree to these ter	ms.
